SUBJECT: Definitions of Intelligence *W/S*

REMARKS:

FYI: In response to your comments and discussion at 5 July NFIB meeting, IC Staff has developed a paper on Definitions of Intelligence which has been sent to NFIB members for comment. When the comments are received, this subject will be put on the agenda for a NFIB meeting.

Note the list includes definitions for "departmental" and "tactical." You had suggested that use of "departmental" be dropped. (See red Tab.)
